### Linda DeGrow

Most of our Zonta members have already heard of Linda's accident while caroling. We wish her a speedy recovering and look forward to her return to Charlevoix and Zonta. Linda is a very big part of our club. Those who wish to contact Linda her current address is:

Linda DeGrow  
Mary Free Bed

Although Linda is in rehab now where both she and her husband are in training learning how to adjust to a new life style. Linda is already making plans to come home soon. It seems there is

nothing that can slow that woman down. She has already picked out a new sewing machine which will allow her to continue crafting projects. Also she is making plans to attend the 2010 conference in San Antonio. We should be making plans to attend the conference too.
