

## MARY FEINDT MEMORIAL SCHOLARSHIP

**Charlevoix Area Zonta Club is currently accepting applications for its third annual Mary Feindt Memorial Scholarship, which awards a \$500.00 scholarship to one female high school senior who will be attending college following graduation, and who plans to pursue a math or science-related major in college. The scholarship recipient will be chosen based on financial need and her involvement and interest in the math and/or science fields\* not on her GPA or academic record. Applications must be submitted by April 14, 2008.**

**In order to be considered for the scholarship, the student must complete the Mary Feindt Scholarship application, submit a written essay pursuant to the instructions set forth below, and provide two (2) letters of recommendation from a math or science instructor which confirms the student's involvement and interest in the math and/or science fields.\***

### **CRITERIA:**

- 1) The student must be a female high school senior, currently enrolled in a Charlevoix County High School and provide a **Verification of Enrollment and a copy of her transcript.**
- 2) The student must plan to attend college after graduation and be in need of financial assistance for college expenses.
- 3) The student must have been accepted by an accredited community college or four-year college or university and provide a **Letter of Acceptance** to the scholarship committee along with the application and essay.
- 4) The student must be involved in the fields of math and/or science\* and plan to major in either or both fields in college.
- 5) The student must submit double-spaced **essay**, not longer than 2 pages in length, explaining the reason for her interest in the math and/or science fields, why she is pursuing a math and/or science\* degree, what her goals are relative to her education and involvement with the fields of math and/or science and the reason the student needs or deserves the scholarship.
- 6) The student must submit two (2) letters of recommendation from a math or science instructor, which confirm the student's involvement and interest in and commitment to the math and/or science fields\*.

**\*excluding the fields of medical science and computer science.**
